Newsletter

CTC Union, a leading designer and manufacturer of telecommunications, data communications and industrial grade networking products, is pleased to announce that we will be attending **Computex 2023 in Taipei, Taiwan, from May 30th - June 2rd, 2023. (Nangang Exhibition Center Hall 1 Booth No. K0701a).**

We will have some demonstrations of new products and will also provide more details about our new technologies, including E-Mark Certified Ethernet Switches, Layer 3 10G core switches, high port density EN50155 Ethernet switches, Wi-Fi gateway, Industrial PoE extenders and up to 60W Ultra-PoE switches for city surveillance networks.

You are welcome to stop by our booth during the trade show to meet our representatives. We will provide you with solutions and have a chance to discuss with you any of your ongoing projects. Please don't hesitate to arrange your appointment by E-mail at <u>sales@ctcu.com.</u> For more information please contact us soon. We look forward to meeting you at the show!
